

## **M.Com**

Department of Commerce for Post Graduate was established in 2023.

The Master of Commerce is a Post Graduate Degree programme that focuses on advanced studies in Commerce, Finance, Accounting, Taxation, Corporate Law, Research Methodology, Banking, Organisational Behaviour and other related Business Disciplines. The Department adheres to a hands-on, practical approach to facilitate understanding and analysis like advanced Excel, Internship, Major Project, SPSS, Tax Returns Filing, extension activity etc. It is the two years programme pursued after completing B.Com, BBA or BA (Corporate secretaryship) any relevant area of Discipline. M.Com. is also a good option for CA/CS/ICWA candidates. M.Com graduates can also pursue Ph.D. in Commerce and are eligible to apply for NET (JRF), SET, UPSC, TNPSC, SSC, Railway, Income Tax Department Exams and the like. Students can prepare their careers in various sectors like Banking, Insurance, Finance, Accounting, Taxation, Teaching, Research and other Commerce related fields.
